

## Dog Silhouette Metal Sculpture Order Form

Would you like your dog to be part of public art in the MacArthur Unleashed Dog Park? Purchase a LIFESIZE dog silhouette metal sculpture to be installed there! A local fabricator will produce a silhouette of your dog in metal, which will be powder coated in red and added to the lineup along the north fence line of the dog park.

Sculptures are available for a donation of \$500, and your pet's name can be laser inscribed on the piece for an additional \$125. All we need is a good photograph of your dog, silhouetted against a contrasting background.

Proceeds go to MacArthur Park UNLEASHED Dog Park and donations are tax deductible. For more information or to submit photo and order, email info@macarthurparklr.org or call 376-4602.
